The city dump is licensed for tree limbs and grass only. We are getting a lot of plastic flower pots, plastic bottles, plastic bags and lumber. Failure to comply with this policy could result in the closing of the dump by the State. When the State officials do a random inspection, they will shut us down if these items are found. We appreciate your cooperation.

PLEASE DO NOT FLUSH CLOTH RAGS, PAPER TOWELS OR HANDI-WIPES NOT DESIGNED FOR SEWER SYSTEMS.

Be aware that standing water breeds mosquitoes.
